

Amritanilayam Stotras

???????? ???? ?????????????

The figure consists of four sub-diagrams, labeled 10-1, 10-2, 10-3, and 10-4, each showing a 10x10 grid of squares. In each diagram, a 5x5 subgrid of squares is highlighted in black. The subgrids are positioned as follows:

- 10-1:** The top-left 5x5 subgrid is highlighted.
- 10-2:** The top-right 5x5 subgrid is highlighted.
- 10-3:** The bottom-left 5x5 subgrid is highlighted.
- 10-4:** The bottom-right 5x5 subgrid is highlighted.

The diagrams illustrate the decomposition of a 10x10 grid into four 5x5 subgrids, which are then used to calculate the total number of squares in the 10x10 grid.

Sri Amritananda Natha Guruvu Garu, Amrita Nilayam, Gowravaram Village & Post, Kavali Mandal, Nellore District, Andhra Pradesh.
