A 10x10 grid of rectangles representing a word search puzzle. The rectangles are of various sizes and are arranged in a way that suggests a hidden message. The rectangles are black with white outlines.

A 15x15 grid of 225 squares, each containing a number from 1 to 15. The numbers are arranged in a pattern that resembles a multiplication table, with the number 4 appearing in the bottom row, column 4.

The image shows a 12x12 grid of rectangles, each representing a number from 1 to 12. The numbers are arranged in a pattern that suggests a specific mathematical operation or relationship between the row and column indices. The numbers are arranged in a pattern that suggests a specific mathematical operation or relationship between the row and column indices.
