[illegible]

A diagram showing a number line from 0 to 20. The number 20 is written in a box. There are several groups of blocks: a group of 10 blocks, a group of 5 blocks, a group of 2 blocks, and a group of 1 block. The blocks are arranged in a way that suggests a total of 18 blocks.

 26

The diagram consists of four rows of rectangular blocks. The first row has a single block on the left and a long block on the right. The second row has a medium block on the left and a short block on the right. The third row has a single long block spanning the width of the first row's blocks.
