

Amritanilayam Stotras

??????? ?

Stotra text composed of multiple lines of Sanskrit syllables represented by boxes and hyphens. The text is arranged in approximately 10 horizontal lines, with each line containing several words or phrases. The words are represented by rectangular boxes of varying lengths, and hyphens are used to separate some words within a line. The overall structure is that of a traditional Sanskrit stotra.

Sri Amritananda Natha Guruvu Garu, Amrita Nilayam, Gowravaram Village & Post, Kavali Mandal, Nellore District, Andhra Pradesh.
