

Amritanilayam Stotras

???? ?????????? ?????????????? ?????? ???????????????

The diagram consists of 15 rows of rectangular blocks. Each row contains a different number of blocks, ranging from 1 to 15. The blocks are arranged in a grid-like pattern, with some blocks having internal lines, suggesting a complex structure or a specific arrangement of elements. The blocks are arranged in a way that suggests a sequence or a progression, with the number of blocks increasing from the top row to the bottom row.
