

Amritanilayam Stotras

??????? ??? ???? ????????? ???? ??????

The image displays a 10x10 grid of 100 rectangles, each with a unique black and white pattern. The patterns are arranged in a way that suggests a binary or digital theme, with some rectangles containing numbers like '2'. The patterns are distributed across the grid, with some appearing in the top-left, top-right, bottom-left, and bottom-right corners, and others in the center. The patterns are composed of black lines on a white background, creating a high-contrast, digital aesthetic.
