The image displays a 10x10 grid of 100 rectangles. Each rectangle is defined by a black outline and has a unique width and height. The rectangles are distributed across the grid in a way that appears random, with some being very tall and thin, others being wide and short, and some being more square-like. The grid is composed of 10 rows and 10 columns of these rectangles.

Sri Amritananda Natha Guruvu Garu, Amrita Nilayam, Gowravaram Village & Post, Kavali Mandal, Nellore District, Andhra Pradesh.
