Figure 1 shows a 32x32 grid of cells, representing a cellular automaton. The grid is divided into four 16x16 quadrants. The top-left quadrant contains a pattern of black cells. The top-right quadrant contains a pattern of black cells. The bottom-left quadrant contains a pattern of black cells. The bottom-right quadrant contains a pattern of black cells. The grid is labeled with '21' at the top right, '22' at the top right, '23' at the top right, '24' at the top right, '25' at the top right, '26' at the top right, '27' at the top right, '28' at the top right, '29' at the top right, '30' at the top right, '31' at the top right, and '32' at the top right.
