[illegible]

A horizontal number line with arrows at both ends. It is marked with numbers from 0 to 100 in increments of 10 (0, 10, 20, 30, 40, 50, 60, 70, 80, 90, 100). There are vertical tick marks for every 10 units. A small box is drawn at the 100 mark.

A horizontal number line is shown, starting at 0 and ending at 100. Major tick marks are labeled every 10 units (0, 10, 20, 30, 40, 50, 60, 70, 80, 90, 100). There are also minor tick marks between the major ones, representing increments of 2. A subtraction problem is written above the line: $80 - 20 =$. The first number, 80, is positioned above the tick mark for 80. The second number, 20, is positioned above the tick mark for 20. The equals sign is positioned above the tick mark for 0. The line continues to the right, ending at 100.
